

# Our harm reduction work reduces the health, psychosocial, and socioeconomic disparities experienced by people who use drugs (PWUD)

## We do...

### CAPACITY-BUILDING

- to provide training resources for agencies serving PWUD
- to form coalitions of agencies who serve PWUD

### GRANTMAKING

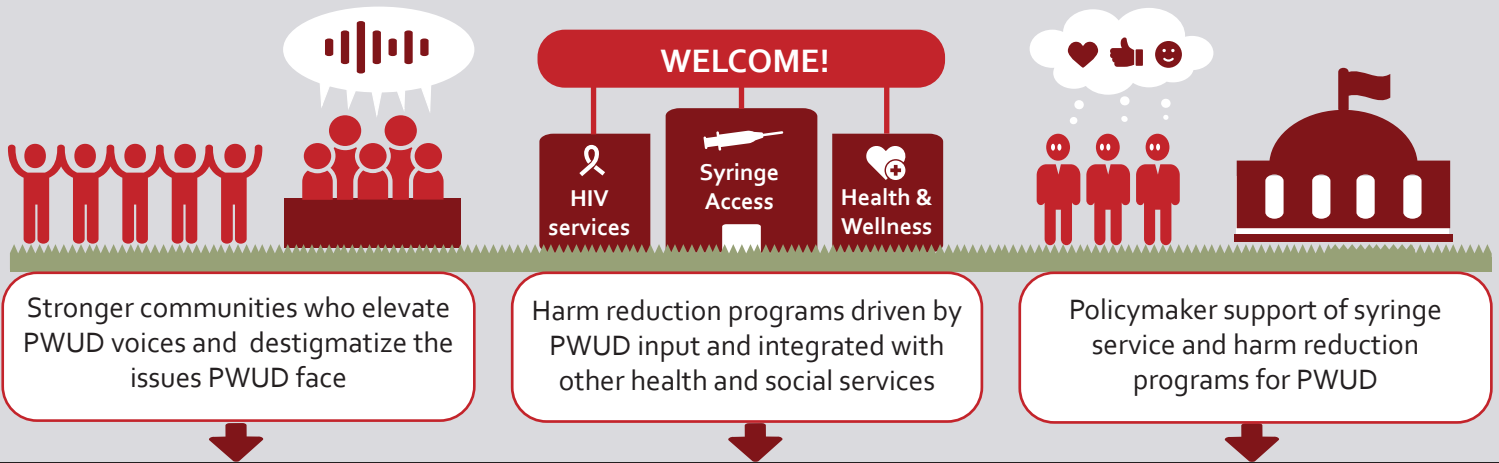

- to fund harm reduction programs for PWUD
- to fund harm reduction advocacy and education

### ADVOCACY

- to educate policymakers about harm reduction
- to tell the stories of PWUD and harm reduction agencies

## To change the landscape for PWUD...

## To ultimately...
