Project

UCSF Alliance Health Project

THE MISSION

The mission of the UCSF Alliance Health Project is to support the mental health and wellness of the lesbian, gay, bisexual, transgender, and queer (LGBTQ) and HIV-affected communities in constructing healthy and meaningful lives.

Shanon Corbin II

Sexual Health Counselor

PrEP Navigator

Phlebotomist

Guilherme Sttellet

Harm Reduction Coordinator

Sexual Health Counselor

Pablo Lopez

Sexual Health Counselor

AHP & Chill

Promoting Art, Culture,
and Wellness

AHP & Chill is a workshop series for BIPOC folks who are disproportionately at risk for HIV, STDs, and other health disparities.

Our workshop series is a culturally responsive outreach method developed by people of color from AHP's Sexual Health Services team.

**An Intimate Evening
with
Andrea Horne**

Celebrate personalities from the community of black transgender women from the 1800s to the present who often do not get the recognition they deserve.

Andrea Horne is an art enthusiast, researcher, actress, and jazz singer; a trailblazing black transgender woman

Breonna McCree from the UCSF Center of Excellence for Transgender Health as moderator

An Intimate Evening with Andrea Horne

An Intimate Evening with Andrea Horne

PrEP Passion & Fashion

PrEP Passion & Fashion was an evening where style meets an awareness long overdue

People socialized in a fun environment with activities that inform and educate about what it takes to be young and free

Learn about PrEP without inhibitions with others and find out facts that can help you have a healthy and active lifestyle

PrEP Passion & Fashion

PrEP Passion & Fashion

AHP&Chill Drag Bingo

AHP&Chill's Drag Queen Bingo mixed health and wellness into a night of fun, prizes, and fabulous performances!

Our expert speakers talked about harm reduction through the medications of PrEP, DoxyPep

Offering information about the current efforts of stopping the spread of MPX (MonkeyPox)
